Executive Team

Kimberly A. Thorner, General Manager

Ms. Thorner began her tenure with Olivenhain Municipal Water District in October 1996 and was unanimously selected by the Board of Directors to become OMWD's fourth General Manager beginning January 1, 2007. She earned a bachelor's degree in political science from the University of Colorado (Boulder) and a juris doctor from Thomas Jefferson School of Law in San Diego. She is a licensed attorney in the State of California and is certified as a Special District Administrator by the Special District Leadership Foundation. Currently, Ms. Thorner serves as Vice Chair of the San Diego Local Agency Formation Commission's Special Districts Advisory Committee, incoming Chair of the San Diego North Economic Development Council's Board of Directors, and member of the San Diego Integrated Regional Water Management Regional Advisory Committee. Previously, Ms. Thorner served as Project Manager for the David C. McCollom Water Treatment Plant, member of the American Membrane Technology Association's Board of Directors, four-term member of the Association of California Water Agencies Federal Affairs Committee, and as a state and federal registered lobbyist. She resides in Carlsbad with her husband and two young daughters, and serves on several local community and non-profit boards.

George Briest, Engineering Manager

Mr. Briest joined the management team in January 1998. He manages OMWD's engineering services and development projects, as well as inspection. Mr. Briest is a Professional Civil Engineer with more than 20 years of water and wastewater experience. He graduated with a bachelor's of science degree in engineering from Purdue University and a master's of science

degree in civil engineering from San Diego State University. **Rainy Selamat, Finance Manager**

Ms. Selamat began her tenure with OMWD in March 1997. As the Finance Manager, she is responsible for the accounting and finance functions at OMWD. Prior to joining OMWD, Ms. Selamat had more than five years of accounting experience in the private sector. She graduated with a bachelor of science in accounting from San Diego State University and successfully passed all parts of the CPA examination in 1999. **Thomas Wood, Human Resources Manager**

Mr. Wood began his career with OMWD in January 2008. As Human Resources Manager, he is responsible for providing leadership in employee and labor relations, classification and compensation, recruitment and selection, employee benefit programs, safety and risk management, policy development, filing officer duties, records and contracts, and training. Mr. Wood earned a bachelor's degree in business administration from the University of Southern California. **Cari Dale, Operations Manager**

Ms. Dale began her career with OMWD in December 2014, having previously served as the Water Utilities Director for the City of Oceanside. Ms. Dale holds a master's degree in public administration with an emphasis on water resources management. **Joey Randall, Customer Services Manager**

Mr. Randall has served at OMWD since June 2003, and joined the executive team in 2014. He currently manages OMWD's customer service, meter maintenance/reading, public affairs, grants, and park functions. Mr. Randall began his tenure with OMWD as a Park Ranger, and also spent time as Park Supervisor and Management Analyst Supervisor before taking lead of the Customer Services Department. Mr. Randall holds a bachelor's degree from National University. A native of coastal North County, Mr. Randall enjoys living in the area with his wife and two children. He is very active in the community, serving as a youth sports coach in addition to volunteering for various local non-profit organizations.
