TO THE

PROJECT FOR THE OLIVENHAIN MUNICIPAL WATER DISTRICT**

August 17, 2023

The following addendum shall be made part of the Bidding Opportunity. **The deadline for submitting bids is hereby EXTENDED to 1:30 p.m. Thursday, August 24, 2023 at 1966 Olivenhain Road, Encinitas, CA 92024.**

**ADDENDUM SECTION 1 – CLARIFICATIONS**

1. **Extension to deadline to submit bids:** The deadline for submitting bids is **hereby EXTENDED to 1:30 p.m. Thursday, August 24, 2023** at 1966 Olivenhain Road, Encinitas, CA 92024. Please see revised Project at a Glance, which is updated for bidders' convenience. All other references to bid deadline are hereby updated.
2. **Design clarification regarding staging:** OMWD recently completed onsite improvements at OMWD Headquarters at 1966 Olivenhain Road and has identified limited capacity that is now available onsite for the contractor to store pipeline materials and fittings for the Project. This limited storage is not adequate for earthen materials and heavy equipment, and the contractor shall make other arrangements as necessary to complete the work and secure adequate staging. Per Specification 00810 section 1.26, Contractor shall apply for and obtain approval for use of roadway right of way areas for other staging and laydown, at respective City's sole discretion and permitting process. On other historical projects, OMWD has occasionally seen the relevant cities approve this request with proper justification and paperwork from the Contractor.
