

OLIVENHAIN MUNICIPAL WATER DISTRICT ADMINISTRATIVE AND ETHICS CODE	Article No. 15	Page 1 of 1
	Title STANDARD SPECIFICATIONS	
	Latest Revision Date January 23, 2008	Ordinance No. 357

ARTICLE 15. STANDARD SPECIFICATIONS

Sec. 15.1. revised via Ordinance No. 305 / October 22, 2003

Sec. 15.1. General.

The District's Engineering Manager and General Manager shall cause to have prepared standard specifications to cover the construction and maintenance of various facilities of the District, and submit the specifications to the Board of Directors for approval.

Upon approval by the Board of Directors, the General Manager and Engineering Manager shall maintain said specifications in a current condition.

Any additions or revisions deemed necessary by the General Manager or Engineering Manager shall be presented to the Board of Directors for approval and adoption.
