*Sec. 3.2.1. revised by Ordinance No. 305 / October 22, 2003*

Sec. 3.2.1. Emergency Authority. An emergency is defined as a sudden, unexpected occurrence that poses a clear and imminent danger, requiring immediate action to prevent and mitigate the loss or impairment of life, health, property, or essential public services. In the event the General Manager determines that an emergency exists requiring immediate action, the General Manager shall have the power without prior Board action, (i) to enter into contracts and/or agreements and to expend funds on behalf of the District, provided that such expenditures or contracts do not exceed, in total, \$1 million without competitive bidding; (ii) to control; limit, or redirect the delivery of water to District customers; (iii) to reassign District personnel and to employ additional personnel, (iv) to implement the District's emergency response plan; and (v) to perform all other acts deemed necessary or appropriate to alleviate the emergency and to protect the interests of the public and the District. Not later than 72 hours after determination by the General Manager of an emergency and that action must be taken pursuant to this section, the General Manager shall notify the Board President of the reasons necessitating such determination and the actions taken. If the President cannot be reached, then the General Manager must notify the Vice-President, and if the Vice-President cannot be reached, then the General Manager must notify the Secretary. The Board shall review the General Manager's emergency action not later than seven (7) days after the General Manager declares an emergency or at the next Board meeting if it occurs within 14 days of the emergency action.
