Inspector I (Engineering)

Olivenhain Municipal Water District is seeking candidates for the position of **Inspector I (Engineering)**. This at-will position provides inspection services under the direct supervision of the Engineering Services Supervisor. The pay range is \$27.77 - \$38.86 per hour.

Key Duties and Responsibilities:

Supports effort to maintain the District system with regards to easements, encroachments, right of way, and land acquisitions. Communicates with contractors and other construction personnel. Reviews available records including record blueprints, proposed improvement plans, easement plats, and other documents to locate existing District facilities. Utilizes electronic locating equipment and other measuring devices to accurately field locate facilities. Responsible for monitoring DigAlert notification devices, scheduling line location priorities and coordinating them with the Engineering Services Supervisor. Assists with organization and maintenance of the District's mapping system.

Minimum Qualifications:

High School diploma or equivalent and State of California Water Distribution Operator D1 certification are required. A Water Technology Certification is preferred. A valid California driver license and proof of insurability are required. Three years of progressive experience to include: understanding of the operation and maintenance of a water and recycled water distribution system and sewer collection system such as installing and repairing water, recycled water, and sewer mains, valves, pumps, fire hydrants, meters, pressure reducing stations, cathodic protection, manholes and valves and other water/recycled water distribution/transmission and sewer collection facilities; familiarity with the use of concrete and asphalt; thorough knowledge of water quality issues, all applicable California and Federal rules and regulations; ability to effectively utilize personal computers and peripherals; knowledge, skills, and ability to correctly interpret construction survey stakes, read blueprints and interpret engineering drawings; ability to work independently with clear understanding of goals and objectives; ability to organize and manage competing priorities.

Application Procedures:

OMWD offers a very competitive [benefits package](#) including CalPERS retirement and fully paid medical, dental, and vision insurance premiums for family coverage. **Interested candidates must submit a completed OMWD employment application and current resume.** All application materials will be evaluated and only the most highly qualified candidates will be invited to continue in the selection process. Subject to a background check for convictions directly related to job duties. Only job related convictions will be considered, and will not automatically disqualify the final candidate. **Equal Opportunity Employer**
