Cross-Connection Control Questionnaire

Service Address:

Parcel/APN #

Customer/Applicant Name:

Customer/Applicant Phone: Email:

☐ Yes ☐ No **1. Service Connections:** Only one water meter connection from the District to your property, (a single water meter for fire sprinkler and domestic use)?

☐ Yes ☐ No **2. Fire Sprinkler system:** Is there a Fire Sprinkler system? If **NO, skip to question 3**

☐ Yes ☐ No **2.1 Service Line Split:** Does your water service line split on your property to supply both domestic use (e.g., household faucets) and a fire protection system (e.g., sprinklers), allowing the fire system to be isolated?

☐ Yes ☐ No **2.2 Fire System Piping:** Is your fire protection system's piping made of materials certified for drinking water (e.g., meeting NSF/ANSI Standard 61)?

☐ Yes ☐ No **2.3 Fire System Passive Purge:** Is your fire protection system's piping looped within the home and connected to regularly used fixtures (e.g., toilets, sinks) to prevent stagnant water?

☐ Yes ☐ No **3. Alternative Water Sources:** Do you have a well, rainwater harvesting, or other water supply on the property?
If yes, is it connected to the District's water system? ☐ Yes ☐ No

☐ Yes ☐ No **4. Recycled and Greywater Use:** Do you use or plan to use recycled water (e.g., purple pipe) or greywater for irrigation or other purposes?

☐ Yes ☐ No **5. Chemical Use:** Do you have any chemicals that could be introduced into the water system? (Such as an irrigation system fertilizer, or chemical additives like antifreeze in your fire protection system, etc.) Please list the chemicals:

☐ Yes ☐ No **6. Irrigation & Hose bibs:** Are all hose bibs and irrigation vales equipped with anti-siphon devices?

☐ Yes ☐ No **7. Water Features:** Do you have decorative water features (e.g., fountains, ponds) or swimming pool connected to the water supply?
If yes, please list the backflow prevention device(s) (Type, Size, Make, Model, Serial Number):

☐ Yes ☐ No **8. Pumps or Tanks:** Do you have any pumps or tanks in your fire protection system or other water systems (e.g., irrigation pump)?

☐ Yes ☐ No **9. Multi-Family:** Are there multiple homes (e.g., ADU, Townhouses, Condominiums, Apartments, Duplexes, Triplex, etc.) or Mixed-Use Development (residential units with commercial spaces), on the property? Please list the type:

☐ Yes ☐ No **10. Existing Backflow Assembly:** Is there existing backflow preventor assembly at the meter? Please list the Size, Make, Model, Serial Number, and water use (Domestic, Irrigation, or Fire):
